

Factsheet on ClearCheck

What is ClearCheck?

- ClearCheck is a highly secure online platform of a centralized database. It permits to share information amongst UN entities, system-wide, on individuals (subjects) with a record of serious misconduct that warranted - - and, when applicable, would or could have warranted - - the end of the working relationship with a UN System organization.
- The UN Secretariat (DMSPC/OHR/ALD) is the 'business owner' of ClearCheck.
- **ClearCheck 1.0** has been operational since 28 June 2018.
[for Sexual Exploitation and Abuse (SEA) and Sexual Harassment (SH) matters]
- **ClearCheck 2.0** has been operational since 1 March 2025.
[adding Racism/Racial Discrimination (R/RD) and Other types of Misconduct (OM) matters]

What is recorded in the ClearCheck database?

- Individuals against whom allegations of serious misconduct were reported (while in service or after having left a UN system organization) and substantiated after an investigation and a disciplinary process and had (or would have) been separated from service therefor.
- Individuals who resigned or separated from a UN entity, while being the subject of a pending investigation and/or disciplinary process for SEA or SH matters.

What is the ClearCheck Community?

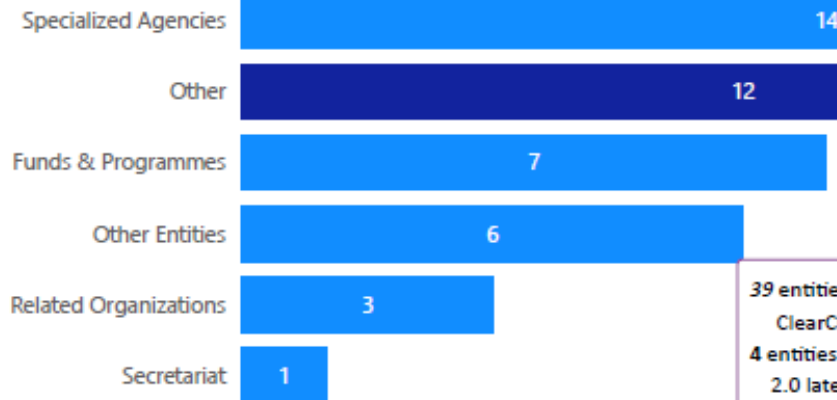

- ClearCheck is available to all **31** member organizations of the UN CEB. It is also available to the other entities of the UN system.
- Currently, there are **43** UN entities [**30 CEB members and 13 non-CEB members**] that participate in ClearCheck.
- When UN entities agree to join the ClearCheck community, they agree to abide by the ClearCheck guidelines:
ClearCheck 1.0:
 - ClearCheck Guidelines for matters related to SEA;
 - ClearCheck Guidelines for matters related to SH; and**ClearCheck 2.0 in addition of the two sets above:**
 - ClearCheck Guidelines for matters related to R/RD and OM.
- These guidelines instruct entities to enter their subjects in the database (if they have any), and to screen the candidates they consider hiring.

Annexes

Annex 1: ClearCheck - Participation and Usage

Annex 2: ClearCheck - Operation and Guidance

Participating Entities

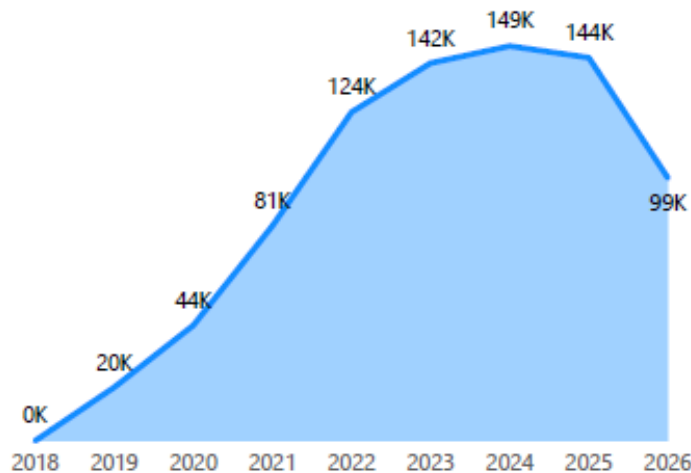

● CEB ● Non-CEB

39 entities are participating in ClearCheck 2.0
4 entities will join ClearCheck 2.0 later in 2026
32 entities entered subjects
43 conducted screening

Annex 2: ClearCheck - Operation and Guidance

The use of ClearCheck follows three sets of guidelines:

1. ClearCheck Guidelines for matters related to SEA:

The updated version of the SEA guidelines was endorsed by the Secretary-General's High-Level Steering Group (HLSG) on 27 July 2018. It broadens the scope to include all uniformed personnel.

2. ClearCheck Guidelines for matters related SH:

The expanded version of the SH guidelines was endorsed by the Working Group (WG) of the CEB Task Force on SH on 18 December 2018.

3. ClearCheck Guidelines for matters related to R/RD and OM:

The guidelines were developed by the UN Secretariat (DMSPC/OHR/ALD), as the business owner of ClearCheck, following instructions from the General Assembly resolutions 77/278 and 78/253.

The UN Secretariat (DMSPC/OHR/ALD) is the 'business owner' of ClearCheck. OHR, in collaboration with all ClearCheck Focal Points, is responsible for:

- a) Monitoring entry of data to populate ClearCheck; and liaising with Data Administrators and Focal Points to ensure regular updating and utilization of the database.
- b) Monitoring and reporting on adoption of the expanded guidelines to include pending allegations; and promoting adoption of the expanded scope of the database.
- c) Reporting on the status of data entry and system-wide utilization of ClearCheck.
- d) Outreach to non-participating entities to achieve successful expansion of ClearCheck to all CEB members, and to non-CEB organizations.

The roles for the users of ClearCheck :

- a) "User" role - i.e., Hiring Manager, handling screening;
- b) "Manager" role - i.e., Data Administrator, entering data (subjects);
- c) "Officer" role - i.e., Verification Request, viewing and handling requests; and
- d) "Administrator" role - i.e., System Administrator maintaining/monitoring.

All the users, regardless of their role, have signed the "Confidentiality Undertaking".

There are three Quick Reference Guides for users:

- a) ClearCheck - Quick Reference Guide for Data Administrators
- b) ClearCheck - Quick Reference Guide for Hiring Managers
- c) ClearCheck - Quick Reference Guide for Verification Request Management

SOP for ClearCheck:

Since recruitment practices, policy and legal frameworks vary among the entities, there is not one universal SOP for all. Therefore, participating UN entities are encouraged to issue their respective SOP. The UN Secretariat entities have a SOP.

List of Participating UN Entities

UN Entities	UN Entities	CEB / Non-CEB
UN Secretariat	United Nations Secretariat	CEB
* UNEP	United Nations Environment Programme	CEB
* UN-Habitat	United Nations Human Settlements Programme	CEB
* UNODC	United Nations Office on Drugs and Crimes	CEB
* UNCTAD	United Nations Conference on Trade and Development	CEB
